The 4th. International Conference on Smart Grid and Smart Cities (ICSGSC 2020) will be held in Osaka, Japan, in August 2020. The conference will address diverse topics related to recent trends and progress made in the field of smart grid, smart cities, and green and other advanced energy systems.

**Submission**

Submissions should be original, previously unpublished work not currently under review by other publications. All submissions must be done electronically through the Electronic Submission System before April 01, 2020.

For any inquiry about the conference, please feel free to contact us at: csgsc@zhconf.ac.cn.

**Proceedings**

All submissions will be peer reviewed, and the accepted papers will be published in the ICSGSC 2020 Conference Proceedings. Conference content will be submitted for inclusion into IEEE Xplore, EI Compendex and Scopus.
